Remarks

This efficiency studio is a fantastic opportunity for anyone looking for affordable living near downtown Sarasota! With its new laminate flooring and fresh paint, it offers a clean, modern feel. The spacious kitchen with a large walk-in pantry and breakfast bar is perfect for cooking and dining. The large walk-in closet is a great bonus for extra storage and for those clothes enthusiasts. Large sliders provide a great amount of natural light into the condo and lead to the balcony, which provides a view overlooking the community tennis courts adding a nice touch for relaxation or entertaining and large enough to accommodate multiple seating options. New roofs being installed on all buildings and assessment already paid by the seller. The community amenities available, such as the clubhouse, multiple lakeside pools, and fitness room, billiard room, bike racks, picnic area with BBQ/Grilling space, and assigned and guest parking all enhance the living experience, making it not just a home but a lifestyle. The proximity to public transportation and local attractions like Ed Smith Stadium is also a significant advantage. Overall, it is a convenient place to live, especially for those who appreciate community amenities and a serene environment with affordable association fees and a centralized location.
